

Everyone wore pink for April!

The event was called "Wear Pink!" On July 25th, over 150 staff and individuals wore specially designed pink t-shirts to support April's fight against cancer. Why the July 25th date for Wear Pink? It was April's birthday.

April also enjoyed a fun birthday party at home with her housemates, staff and friends. Jen Shull, Site Supervisor at C Street says, "Most of the staff and individuals continue to sport their pink t-shirts from time to time. The shirts have continued to provide positive affirmations for April throughout the past several months."

Shull also stated that April's surgery went remarkably well and her recovery was speedy as she is still adjusting to this major change. This event was a great success and a big thank you to everyone who wore pink!
