

# HOW DISABILITY CAUSES HOMELESSNESS... AND HOW YOU CAN HELP

**PEOPLE WITH DISABILITIES ARE  
TWICE AS LIKELY TO BE HOMELESS.**

They make up 16% of the  
American population, but 40% of  
the homeless population.

**AND THE PROBLEM IS WORSENING.**

Cuts to supported employment  
services and living  
programs have put more people  
with disabilities at risk of losing  
their homes.

**THEY ALSO HAVE A HARDER TIME  
ESCAPING HOMELESSNESS.**

Without access to their identification and  
documents, they cannot verify  
their disability- and lose the state benefits  
they need to regain their footing.

**HOW WE'RE HELPING**

CTF ILLINOIS houses 200 adults  
in 32 community living homes. We  
also provide supported  
employment programming to help  
them generate income.

**HOW YOU CAN HELP**

We're currently looking for sponsors to  
fund purchases for homes- and create  
relationships with their deserving  
residents. Please consider joining us in  
creating happy homes for individuals  
with disabilities.
